*Allegretto*

Dashing through the snow, in a one horse open sleigh,  
oer the fields we go laughing all the way.  
Bells on bob tail ring making spirits bright  
what fun it is to ride and sing the sleighing song tonight.  
Jingle bells, jingle bells, jingle all the way,  
oh what fun it is to ride in a one horse open sleigh!  
Jingle bells, jingle bells, jingle all the way,  
oh what fun it is to ride in a one horse open sleight!  
A day or two ago I thought I'd take a ride  
and soon miss fanny bright was sit-ting at my side  
the horse was leas and lame misfortune seemed his lot  
we got in-to a drifted lane and then we got up-sot.  
Jingle bells, jingle bells, jingle all the way,  
oh what fun it is to ride in a one horse open sleigh!  
Jingle bells, jingle bells, jingle all the way,  
oh what fun it is to ride in a one horse open sleight!

Testo in italiano: T. F. Benetti

Nella Notte di Natal da lontano sentirem  
l'eco che farà din don din don dan;  
con la slitta andiam tra gli abeti a scivolar,  
augurando a tutti un lieto e Buon Natal.  
Jingle bells, jingle bells, jingle all the way,  
sa il cavallo dove andar lungo tutto il suo sentier. Ueh!  
Jingle bells, jingle bells, jingle all the way,  
con la slitta noi andiam tra gli abeti scivoliam.  
Con la slitta noi andiam, augurando Buon Natal! Drin, Sciahhh!

(\*1) - All'inizio di ogni battuta, o solo nel ritornello, può star bene il suono d'un triangolo.

(\*2) - Ad libitum: Drin...; Din don din dan; Plin...; Plin plon...; etc.

(\*3) - Alle batt. 18-24, 29-32 e 43-45 col medesimo ritmo del "clon" (♩♩♩), si può introdurre, il trotto del cavallo percuotendo il guscio di due mezze noci di cocco. Con il medesimo ritmo si possono aggiungere anche dei campanelli "da slitta".

(\*4) - Lo "Sciahh!" finale deve esser fatto con la "a" muta (senza far vibrare le corde vocali). Onomatopeicamente, dovrebbe dar l'idea del rumore che fa una virata degli scii sulla neve.
